

Allied Express Reverse Logistics Portal – Developed for De'Longhi Group Returns

At Allied Express, we are looking forward to the partnership opportunities with the De'Longhi Group. We are committed to providing solutions for logistical problems utilising technology that is simple to use and highly efficient. Taking the hassle out of reverse logistics was foremost on our mind when in association with De'Longhi, our technical team developed the reverse logistics portal to manage your De'Longhi returns in a way that would firstly, simplify the process for retail outlets, and secondly ensure a seamless and accurate transition from dock to dock.

How it Works - In 4 simple steps

2 New Ready Date: Number of Cartons: **3** Update **4** Print Label

STEP **1**

Allied Express receive EDI return notification details from De'Longhi.

STEP **2**

Generates Allied Express automated email to outlet:

- Collection advice
- Consignment note number
- Link to returns portal, to the consignment initiated for the vet-rim

STEP **3**

User enters portal and completes collection requirements:

- Outlet details will then auto populate
- Enter pick up date
- Enter carton total
- Click update

STEP **4**

Labelling return freight for collection:

- After completing stage 3, click print label. A label will appear as a PDF.
- Print label and attach one label per return carton
- Make return shipment ready for pick up

It's that easy! Allied Express will be automatically notified of all the return pick up details and will schedule a vehicle and driver to complete the process.
